

BOISE STATE UNIVERSITY
Department of Radiologic Science
2009 Student Selection Criteria

Initial Criteria:

- A. **Completion of the 34 credits of required prerequisite courses** (or equivalent) by the end of the spring semester of the application year. (Students must be registered for these courses at the time of application)
- B. Applications will be accepted from students with only one remaining prerequisite to complete in the summer. A **minimum of 2.60 GPA** for the 31 credits of the required prerequisite courses. (Core elective must be completed, but not included in GPA compilation) Grades are to be based on at least 14 credits of prerequisite courses. **Minimum cumulative GPA of 2.40.** All required courses must be completed with a minimum grade of C.
- C. **Completion of a program application by February 15 of the application year**, to include a current transcript, letter of application and three references.
- D. **Acceptance is conditional on results of required Criminal Background Check.** Conviction of a crime (misdemeanor or felony) could leave an individual ineligible for participation in the certifying test. Upon successful completion of this examination, the student becomes a Registered Radiologic Technologist --R.T. (R).

For the 2009 application process, 78 completed applications were received by the deadline. Five incomplete/ineligible applications were dismissed. Ten (10) of the applicants had previously applied to the program (reapplicant). There were 19 (24%) male and 59 (76%) female applicants.

Secondary Criteria:

The applicants were selected for an interview based on prerequisite GPA, letter of application analysis and reference analysis. The top 55 individuals were invited for an interview. Ten (18%) males and 45 (82%) females were interviewed.
